Comparison of Infoblox customers with education vs customers without education – June 2023

LEARNING SUBSCRIPTION BENEFITS

-  Learn your way via instructor-led or on-demand courses
-  Access unlimited hands-on labs and certification exams
-  Gain the expertise you need to succeed with Infoblox
-  Get advanced know-how directly from Infoblox experts
-  Enhance your profile with industry-leading digital badges

The on-demand course was great because I could fit it into my own schedule and the material was easy to follow.

Vitaly P.
Network Security Manager

When I meet a networking practitioner with an Infoblox Industry Learning certification, I know that they really understand their DDI.

Roger M.
Technical Architect Manager

WHAT EVERY PRO NEEDS TO KNOW

As the world's leading provider of united networking and security solutions, Infoblox is uniquely qualified to deliver world-class beginner-to-expert learning and certifications.

We offer industry-leading vendor-neutral learning and Infoblox product education. What's more, because our courses are role-based, users like operators and administrators can be confident they will gain the knowledge they need to succeed.

INFOBLOX EDUCATION IS YOUR #1 CHOICE
